The program is designed to be a fun learning environment for all players.

#### Who should play Club Soccer?

Any player from 7U through 12U from the first time player to the experienced player.

#### What is the length of program?

Winter Club Soccer consists of eight weeks of play, over a ten week period with no games over winter school break. The program is held indoor at the Webster Sports Complex, 865 Publishers Parkway.

#### What is the format of an Indoor Winter Session?

Each session is eighty minutes. The first twenty minutes is the training component followed by a game. 07/08U and 09/10U will play 5v5 which will include four field players and a goal keeper; 11/12U will play 7v7 consisting of six field players and a goal keeper.

#### What is the format of the program?

Weeks 1 is Player Evaluation weeks explained below. Weeks 2, 3, 4, 5, 6, and 7 are Game Weeks. Week 8 is the end of season Tournament with a minimum of three games in a Round Robin format.

#### Why are there Evaluations?

Club Soccer attracts a wide range of players from the first-time player to the experienced travel player. We try and assign balanced teams allowing all players to have the opportunity to learn and feel challenged and play against players with equal experience. The Evaluation session will follow the normal format but coaches will try to assess players during the game period.

How players are broken up for the pre-game training?

When players show up the first week they will be assigned to a random field. After the first week they will go directly to their game field for pre-game training.

How do I identify the fields?

Check the white board next to the front desk for the field locations.

When are teams assigned?

Teams will be assigned and published after the first week.

Do you accept Team Requests?

NO. We expect players to be socially mature, excited to learn and make new friends. Coaches siblings will be assigned to their parent's team.

Will there be a schedule?

Yes. After week One a schedule will be published for the Game Weeks, week 2 through 7.

What happens on week 8?

Week eight is the end of season Tournament. All teams will play a minimum of three games with each player receiving an award after the last game.

Are volunteer coaches needed?

YES. The training is led by experienced coaches however volunteer coaches are needed to assist with the training and to manage the teams during the game. All coaches are required to hold a current USYSA Risk Management Pass which does include a Background Check.

What do players receive?

Players will receive a t-shirt once teams have been assigned after week one.
